Job description – Barcode Printer Repair Technician

Hiring an Industrial barcode printer repair apprentice. This person will work closely with our 30 year plus experienced technician repairing Industrial barcode printing equipment. This position requires both service shop bench repair and on-site repair. Candidate should have reliable transportation as the job requires some travel within the Tri-State region.

On the job and classroom training will be offered to the successful candidate.
Looking for good communication skills, self-motivated, and someone willing to get their hands dirty on occasion.
This position will require the candidate to use both mechanical repair skills and computer networking knowledge.

Veterans are encouraged to apply!
