

1st Shift Site Technician

TST - Operations - Troy, OH, USA - Full Time

Trucent, Inc. is a global leader in fluid recovery and regeneration solutions helping manufacturers and producers achieve operational excellence by incorporating sustainable processes. We are committed to demonstrating leading-edge sustainable solutions and approaches to industrial production and materials management. Our customer-centric solutions include Fluid Separation for Metalworking and Manufacturing, Industrial Fluid Control, Plant Process Optimization, Corn Oil Extraction, and Oil Flow Optimization.

We are currently looking for a 1st Shift Site Technician to help build upon a track record of growth and success in the Troy OH area. The hours of this position are 9:30AM - 6:00PM EST, Monday through Friday. There will be a bit of overlap from 1st shift to 2nd shift with this position. This position is responsible for the maintenance and support of our customers' metalworking fluid systems and provides troubleshooting support. The position pays \$22-\$26/hr. based on experience.

We are ready to act immediately on those candidates who are the best fit for the role. You'll first hear from someone in Talent Acquisition and then the next step will be a personal interview with our Hiring Manager.

Position Qualifications:

Education: High School Diploma or equal equivalent.

Experience: Some industrial / manufacturing experience is preferred.
