

Dear Parent or Guardian,

Samaritan Behavioral Health (SBHI) is proud to partner with Miami Valley Career Technology Center to provide social and emotional support for students in the school. A licensed counselor may provide one-to-one support, during the school day at no cost to the students and parents.

Students can access these services by contacting the school counselor and requesting to talk to someone. Jane Winch and Carol Chandler are the SBHI counselors assigned to MVCTC.

If you do not wish for your child to access these services, please sign the Opt-out form and return it to the counselors at the school.

If you have questions, please feel free to contact Amy Binkley-Dils with Samaritan Behavioral Health at 937-734-9461 or your school's counselor.

Sincerely,

Brian Jettinghoff  
Student Services Supervisor
